*A Premier Cape Cod Baseball League
Team*

Falmouth Commodores Internships

BROADCASTING AND MEDIA TEAM

The Falmouth Commodores is one of ten teams that comprise the Cape Cod Baseball League, the preeminent summer collegiate baseball league in the United States. Scouts from all major league teams attend games and many players are ultimately drafted to play in the MLB.

In 2021, the Commodores expanded its capacities, primarily in video production, and expanded further in 2022 (5 camera system with underground cables to camera wells, and Blackmagic Design ATEM Pro 4K Live Production Switcher). To take our productions to the next level and continue to be known as the premier CCBL media outlet, we are looking for *the most highly-motivated, team-oriented* summer interns to fill our vacancies. If you are attracted to the broadcasting and media arts, and who thrives in an environment where collaboration, creativity, and teamwork are strongly encouraged, this may be the opportunity you are looking for.

All intern positions are non-paying, and prospective interns must arrange for their own housing and transportation while on Cape Cod. The Commodores staff will assist where possible in helping interns find affordable lodging and part-time employment.

AUDIO/GRAPHICS TECHNICIAN (1)

Applicants must have a proven interest in broadcast production and sports and a well-rounded understanding of the game of baseball. Preference will be given to college students who have broadcast, journalism and media-related majors and have been actively involved in media and sports programs. Strong interpersonal and communication skills are preferred. **Submission of a letter expressing your specific interest and expectations from your internship, your resume, and relevant audio/video material is required for review during the selection process.**

- The Audio/Graphics Technician will coordinate with the Director, Graphics Designer, Videographers and Broadcasters in an assistant video director role to produce a seamless broadcast.
- Have working knowledge and/or experience in the operation of a studio sound mixer.
- Be familiar with Mackie sound equipment, XLR cabling, and microphone and headset interoperability.
- Operate an online digital scoreboard by managing balls, strikes, outs, baserunners, innings and score.
- Work closely with the Video Director to air additional graphics such as, but not limited to, lower thirds, game sponsors, fielding positions, advertisements and other graphics in between innings and during pitching changes.
- Be a good multitasker and fast learner, and must be able to perform with minimal oversight or supervision.

- Troubleshoot and work through technical challenges and remain patient throughout technical difficulties.
- Work with the Director and Videographers to ensure all broadcast and streaming equipment (audio and video) components are fully operational at home and away games.
- Become acquainted with players' names, coaches' names, and uniform numbers as quickly as possible.

To apply, send cover letter, resume and relevant work samples to:
